

Naresh Joshi is Consultant Oculoplastic surgeon at Chelsea and Westminster Hospital NHS Trust London and Honorary Consultant to the Royal Marsden. He is an Honorary Senior Lecturer in the Faculty of Medicine, Imperial College London.

He is a founder member, and president of the British Ophthalmic Plastic surgical Society (BOPSS), also a member of ESOPRS, ASOPRS, APSOPRS and BAAPS

Currently, he represents the Royal College of Ophthalmologists and BOPSS on the national committees for the regulation of safety in aesthetic procedures.

He has an interest in reconstructive ophthalmic plastic surgery in craniofacial anomalies. He is the co-founder of the Craniofacial Ophthalmic Plastic Service (COPS), at Chelsea and Westminster hospital, widely recognised for its holistic paediatric, and adult facial surgery.

He has lectured throughout the world, on many aspects of reconstructive and aesthetic ophthalmic plastic surgery.

He is also known for his practice in aesthetic surgical rejuvenation.
