

EUROPEAN SOCIETY OF OPHTHALMIC PLASTIC  
AND RECONSTRUCTIVE SURGERY

# JOIN YESOPRS

Dear ESOPRS Members and Colleagues,

We would like to invite all ESOPRS members that are less than 10 years out from residency training to become part of the Young ESOPRS group (YESOPRS). The goal of YESOPRS is to allow young members to share their experience regarding the building of a successful oculoplastic practice, academic or private. We are planning on having our first over lunch reunion during the next ESOPRS fall meeting 2016 in Athens.

If you meet the requirements and would like to join YESOPRS please email us at: [yesoprs@gmail.com](mailto:yesoprs@gmail.com)

Sincerely,  
Dan Georgescu, MD, PhD
