

## **Rosa Balcells, MD**

Oculoplastic and Orbital Surgery

Born in Santiago Chile, Completed her Ophthalmology Residency at Universidad De Chile, then moved to Cincinnati for a few years where she completed a two-year fellowship training in Cincinnati Eye Institute CEI and Cincinnati University (2007-2009) under the mentoring of Dwight Kulwin and Robert Kersten.

Since 2010 She is back in Santiago where she spends half time at University Public Hospital and Half time in a private practice in an Ophthalmology group.

Dr Balcells has a particular interest in surgical rehabilitation, performing several lid and lacrimal lacerations repairs every week, as an Oculoplastics consultant in the National Eye Trauma Unit of Chile. She also works in the Plastic Surgery Service of a Pediatric Hospital. Dr. Balcells is an Adjunct Faculty in the National Ophthalmology Residence Program of Chile. She is an Executive Board Member of Pan-American Society of Oculoplastics SOPANOP and the Vice-president of the Chilean Society of Oculoplastics
