

CURRICULUM VITAE
The Johns Hopkins University School of Medicine

Diego Strianese, MD
April 2016

DEMOGRAPHIC INFORMATION AND PERSONAL INFORMATION

Current Appointments

Chief of Oculoplastic and Orbit Division, King Khaled Eye Specialist Hospital, Saudi Arabia

Consultant, Oculoplastic and Orbit Division King Khaled Eye Specialist Hospital, Saudi Arabia

Other

2001-2014 - Assistant Professor, Department of Neuroscience, University Federico II, Naples, Italy

2015 - Present - Promoted to the rank of Associate professor - National Professorship

2013 - Present - Director, of Unit for lachrymal diseases - II Policlinic University Hospital, Naples

2001 - Present Senior Consultant - Orbital Unit - Department of Head and Neck surgery - University Federico II, Naples, Italy

Personal Data

King Khaled Eye Specialist Hospital

P O Box 7191, Riyadh 11462, Kingdom of Saudi Arabia

Tel: +966 01 482 1234 X 3858

Mobile: +966 59 088 6547

Email: strianes@unina.it

Education and Training

Undergraduate

1988 - University of Naples Federico II, Italy Biological and Physic and Chemistry

Doctoral

1992 - MD, School of Medicine - University of Naples - Federico II

Postdoctoral

2001-2002 - Research and clinical fellowship: University of British Columbia, Vancouver, Canada.

Mentor: Prof Jack Rootman

1997-2000 - Philosophy Doctor (PhD): Orbito-maxillofacial program, University of Naples Federico II

1993-1997 - Resident, Ophthalmology, School of Medicine, University of Naples Federico II

1992-1993 - Intern, Ophthalmology, School of Medicine -University of Naples Federico II

Professional Experience

- 2002-2015 - Assistant Professor, Ophthalmology, University of Naples Federico II, Naples
2002-2004 - Consultant Oculoplastic Unit - Azienda Universitaria II Policlinico
2004 -2015 - Senior Academic Consultant Oculoplastic and Orbital Diseases- Azienda Universitaria II Policlinico
2013 -2015 - Director of Unit for lachrymal diseases - II Policlinic University Hospital, Naples
2004-2015 - Chairman of the Thyroid Eye Disease Clinic - Azienda Universitaria II Policlinico
2004-2015 - Professor and Chairman of the II year course School of Orthoptist
2003-2013 - Chairman of the research and funding Committee of the Department of Ophthalmology of the University, Naples Federico II
2002-2004 - Chairman for the Ophthalmology section, of the Phd program for Orbital disease and maxillofacial science - University of Naples Federico II
1997-2000 - Instructor, Ophthalmology, University of Naples Federico II, Naples

Inventions, Patents, Copyrights

Clinical assessment innovations and new surgical techniques

1. 2010 Monitoring of progression of optic nerve meningioma
2. 2010-2015 Assessment of Thyroid eye disease in cooperation with ITEDS
3. 2015 Diagnosis of the orbital lesions by using the dynamic MRI
4. 2010 Methotrexate for thyroid eye disease
5. 2005 Dermis fat graft harvested from periumbelical area
6. 2006 Forehead skin-muscle flap for contracted socket reconstruction
7. 2008 Modified diamond tarsoconjunctival excision with 5 passages suture for medial ectropion repair
8. 2006 8 shaped technique suture for eyelid defect closure

Patents and copyright

1. First description of a new method to harvest the dermis fat graft for contracted socket. 2001
2. First description of the BES - Benign Exophthalmos Syndrome, provisional application for copyright, January 2013
3. A Semiautomatic regional segmentation to measure orbital fat volumes in thyroid-associated ophthalmopathy, Provisional patent application, October 2014
4. Development of new device (provisional patent application, October 2015)

RESEARCH ACTIVITIES

Extramural Sponsorship

Previous

2004-2005 - TDigitalization and comparison of the imaging in evaluation of the orbital meningioma

Legge Regionale 41/94, art.3, II.
 Campania Agency for scientific development
 50.000,00 euros
 PI: Diego Strianese 50%

2005-2008 - Primary Optic Nerve Sheath Meningioma in Children - metacentric study grant

from Research

Prevention of blindness, New York
20.000 US dollars
PI: 10%

2008-2010 - Title: Evaluation of clinical characteristics and tumoral markers of ocular melanomas.

PRIN - Italian National Agency of Research
250.000,00 euros
PI: 10%

2009-2011 - Reliability of Estimating Ductions in Thyroid Eye Disease, an International Thyroid Eye

Disease Society Multicenter Study, Research grants to International Thyroid Eye Disease Society from ASOPRS (American Society of Ophthalmic Plastic and Reconstructive Surgeons) Foundation and NANOS (North American Neuro-ophthalmology Society)

10.000 US dollars
PI: 10%

2010-2012 - Measurement of axial globe position: Research grants -ITEDS- International Thyroid Eye

Disease Society
20.000 US dollars
PI: 10%

Current Grants

2015-2016 - The role The N-formyl peptide receptor family (FPRS) in idiopathic inflammation of the orbit - European

Star Project
50.000 euros
PI: 50%

2012 -2016 - Thyroid Inflammation Reliability,

Research grants -ITEDS- International Thyroid Eye Disease Society
PI: 10%

2015-2016 - Combined Radiotherapy and Intravenous Steroid for Early Progressive Thyroid Eye Disease

Research grants - ITEDS, International Thyroid Eye Disease Society
Pi 10%

Research Program Building / Leadership

2004-2015 - Resident research program coordinator, In my capacity I am responsible for the teaching of local and

International Residents, I mentor them and particularly I take care of their scientific production.

2004-2008 - I built a national project on prognostic factors for epithelial tumors of the lacrimal gland - the project

involves many divisions and different Institutions. (see also pub n. 15)

2007-2012 - Research projects leader (head of the research division) , responsible to improve and increase the quantity

and quality of the research products Division of Ophthalmology, Department of Neuroscience, University

of Naples Federico II. I serve as advisor for the establishment of

clinical trials and I lead the scientific
production.

2012-Present - Member of Board for development of research and fundig projects. Serve as
Advisor. Department of Neuroscience, School of Medicine, University of Naples
Federico II

1. **Strianese D**. I traumi dell'orbita. (orbital injuries) In: SOI. *Pronto soccorso in Oculistica*. p. 43-55, Roma:INC Innovation News Communication, 2002; ISBN: 8886193351
2. **Strianese D**: Management of eyelids lesions: in *Textbook of Head and neck diseases for medical students*. Naples - Gnocchi - Idelson - 2013 -ISBN: 978-88-7947-522-8
3. G. Bonavolontà, D. **Strianese**. Disease of the face and sinuses and the nasolacrimal duct. In "Les voies lacrymales". Alain Ducasse. Ed.Masson. Paris pp 365-369. 2006

Teaching

Classroom instruction

2015- 2016 - Ongoing daily teaching sessions with in the Division and OR at King Khaled Eye Specialist Hospital (KKESH)

2015-2016 - KKESH Grand Round - imaging in orbital disease

2015-2016 - Lecturer for residents - introductions to the oculoplastic

2001-Present - Lecturer- IV year medical students- once week for 4 weeks. Graves' disease, Orbital Tumours, Eyelid Tumours

2002-Present - Lecturer - II year medical students "Anatomy of the lacrimal drainage

2000-Present - Ophthalmology Resident Lecturer "disease of the eyelids"; series of lectures distributed in three months

once week (MED/30) - University of Naples "Federico II

2000-Present - Lecturer - techniques in Ophthalmology - Integrated Course of Nursing Techniques - Diploma course of specialized Nurses, University of

Naples

2001-2005 - Lecturer - Oculoplastic Surgery Master - Catholic University of the Sacred Heart Rome, Italy

Clinical instruction

2000-2010 - Teaching attending general physician, every 2 months once a week on rotation "eye examination" --

2000-2010 - Tutor for interactive analysis of oculoplastic cases - weekly for 6 months attending resident.

2006-Present - Ophthalmology outpatient service. Teaching attending residents, every 3 month twice a week on rotation,

Academic Medical Hospital, University of Naples Federico II - Italy

2006 - Present - Ophthalmology surgical service. Teaching attending residents, every 3 months twice a week on rotation,

Academic Medical Hospital, University of Naples "Federico II -

Italy

2006 - Present - Ophthalmology surgical service. Teaching fellows, (Master) three times a week on rotation, Academic Medical Hospital, University of Naples "Federico II - Italy

CME instruction

2001-2015 - Annual Course-: Management of orbital Disease - lecture malignant orbital tumours, Continuing education program of the Italian Society of Ophthalmology - alternatively Rome/Milan

2011 Pre-meeting course - malignant tumor of the lacrimal gland - European Society of Oculoplastic and reconstructive surgery - Como

2013 Pre-meeting course - Orbital Lymphoma - European Society of Oculoplastic and Reconstructive surgery, Barcelona

2002-2015 - Multiples lectures and presentations at CME accredited meetings in Europe and USA (see also invited lectures)

2010-201 - Quarterly regional rounds, organizer and lecturer, Academic Medical Hospital, University of Naples Federico II - Italy

Workshops/seminars

26-28/3/2004 - Teacher - anatomical dissection of the orbit, School of Medicine, University of Nice, French - Master Ophthalmology and therapy, Orbit eyelid. Nice, France

1/29/2004 - Lecture - eyelid malposition: ectropion and entropion, Institute of Ophthalmology School of Medicine - Agostino Gemelli Catholic University, Rome, Master of Eye Surgery.

4/3/2004 - Lecturer Upper eyelid blepharoplasty - Seminars in Oculoplastic surgery - University of Zurich Switzerland

3/4/2005 - I Lecture -surgical management of orbital trauma, International course on medical and social emergency - Department of Pharmaceutical Science, University of Salerno.

10/10/2006 - Invited speaker - Orbital lymphoma- I International course in Orbital Disease - ravello - Italy

1/04/2007 - Orbital neoplasms- I course eye on ice - Madonna di campiglio - Italy

05/05/2013 - Invited speaker - Eyebrow lifting - I workshop in oculoplastic of the nordwest society of Ophthalmology. Udine

4/4/ 2014 - Invited speaker - Management of the lagophthalmos- II workshop in oculoplastic of the nordwest society of Ophthalmology - Vicenza

Mentoring

2002 - Present - Chairman of the Board of examinations, Master of Science in Diagnostic technique in Ophthalmology, University Federico II, of Naples (MED/30) - (MED/50)

2000 - 2008 - Member of the Board and lecturer at the Master Course in "lacrimal Surgery", University of Naples Federico II

2001 - Present - Member of the examination commission, final exam in head and neck disease ophthalmology Department for medical students.

Thesis committees

- 2001 AS - MD, final thesis: using of the fat graft as primary Implant in enucleation and Evisceration
- 2003 C R - MD, final thesis: ocular motility disturbances in Graves' orbitopathy
- 2004 ADP - prognostic factors in lacrimal gland tumors - PhD thesis Ophthalmology
- 2008 NB - MD thesis - long term results of DCR -

Training grant participation

- 01/01/08 - 30/12/09 - Imaging in orbital disease
PI: ET
10.000 euros
Role: Responsible for designing an evaluation of the education

Educational Program Building and Leadership

- 01/12 - present Oculoplastic Resident program general coordinator, Academic Medical Hospital, University of Naples. In my capacity, I am responsible for the teaching of local and European residents in clinical and surgical settings. I am responsible of establishing Fellows goals and monitor their achievements for quality of delivered care, patient satisfaction and surgical competences.
- 01/10 - 01/13 Oculoplastic Master Director, University of Naples Federico II. In my Position I was responsible of selection, training and mentoring o international fellows recruited through international competitive program
- 2010 - 2012 Honorary Professor of Ophthalmology University "Agostino Gemelli", Rome, Italy. I am responsible for Oculoplastic teaching of post - Residency program in ophthalmology.
- 2014- 2015 Faculty of the first "distance learning" online course - How to write a scientific article - I took care about the section " peer review"

CLINICAL ACTIVITIES

Certification

- 2015 - Present - Saudi Board of Ophthalmologist
- 2015 - Present - Saudi Commission of Health Specialties
- 2000 - 2001 - Temporary certificate- British Columbia - Canada nu.36810
- 1997 - Present - Italian Board of Ophthalmology - Diploma di Specializzazione
- 1994 - Present - Board of Medicine, Italy, NA26510
- 1992 - Present - Italian national qualification to practice medicine and surgery,

Clinical (Service) Responsibilities

- 2004 - Present - Graves' disease - one day/ week
- 2006 - Present - Idiopathic orbital inflammation - one day/ week
- 2008 - Present - Rare orbital disease: twice/ month
- 2011- Present - Head of the lachrymal disease unit

Clinical Program Building/Leadership

2008 - Present - Director and founder of lacrimal Division, Academic Hospital. University of Naples Federico II. The unit was built with the aim to offer the most recent technique for te lacrimal surgery such as the endoscopic surgery and the minimal invasive procedure for lacrimal drainage restoring. I am responsible for organizing clinical activities; supervise quality of clinic service and establishing of clinical protocols. This Unit is the referral centre for the entire South-Italy region which accounts about 25 millions of people. In 2015, in order to reduce the cost of the national health system, 40% of the independent medical unit have been cut. But, the lacrimal division which I have established was confirmed considering the high number of the cases treated per year and the increased income yielded.

- 2007 - Present Founder and director of the "TED clinic". A complex network of

specialists, working together, to offer the best health care for patients with thyroid eye diseases. This centre gained national recognition.

04/2004 - Dr Strianese performed the first endonasal DCR without the endoscope in Italy

SYSTEM INNOVATION AND QUALITY IMPROVEMENT ACTIVITIES

Production of guidelines and/or protocols:

2010-present assessment protocol to evaluate ocular motility in TED disease, joint protocol of the ITEDS. Role: Advisor

2012-present assessment protocol for exophthalmometry reading in TED disease, joint protocol of the ITEDS. Role: Advisor

2013-present National Guidelines, Immunosuppression treatment in TED Disease Role: Co-Chair

System Innovation and Quality Improvement Program Building/Leadership

2013-2014 Development and implementation of dedicated Electronic Patient Chart Academic Hospital - University of Naples

2012-2014 Development and implementation of quality assurance and improvement system. Digitized audit system that monitor post-surgical outcome for several oculoplastic procedures. Comparison with colleagues and international literature. The program has allowed over the time significant improvements in several surgical outcomes.

ORGANIZATIONAL ACTIVITIES

Institutional Administrative Appointments

Current

Chief of Oculoplastic and Orbit Division

Member of Oculoplastic and Orbit Division

Part of my duties is, to assemble the Monthly clinical sessions and the On-call schedules Signing off and keeping track of faculty staff including, Fellows leave applications, ensuring that there is always enough coverage in the department

2010 - 2015 - Member, School of Orthotics committee

2001 - 2002 - Member, Ophthalmic Residency Curriculum Committee

2013 - Present - Member, Research and Publications Promotions Committee, Department of Neuroscience

Editorial Activities

Editorial Board appointments

2012 - 2014 - Orbit Journal member of the board.

2014 - Present - International journal of ophthalmology (International Board of Expert)

Journal Reviewer

2004 - Present - British Journal of ophthalmology

2004 - 2008 - Archives of ophthalmology

2006 - Present - Ophthalmic Plastic and reconstructive surgery

2008 - 2009 - Experimental eye research

2010 - Present - Orbit Journal

2013 - Present - International Journal of ophthalmology

2014 - Present Journal of Ophthalmology

2012 - Present Indian Journal of Ophthalmology

2015- Present Canadian Journal of ophthalmology

Advisory Committees, Review Groups and Study Sections

2012 - Present - Advisor departmental commission for research evaluation, University of Naples Federico II

2012- 2015 - Member of review group control of post-treatment outcome of oculoplastic

patients

2010-Present - Member of the group for surveillance of patient treated with radiotherapy for orbital diseases

2014-2015 - Member of the regional study section of the epidemiology of the TED and risk factors.

Professional Societies

2001-Present - Member of Italian Society of ophthalmology

2008 -2012 - Committee member of the European Society of Ophthalmic Plastic and Reconstructive Surgery ESOPRS

2008-Present - Member of International Orbital Society

2010-Present - Board member of the ITEDS International Thyroid Eye Disease Society

2012-Present - Committee member of the Italian Society of ophthalmic Plastic and Reconstructive Surgery .- SICOP

09/2014 - Conference Organizer, Orbital Society, Annual Meetings, Capri-Italy

09/2014 - Conference Organizer, Joint Meeting ISDE & SICOP Naples, Italy

Consultant ships

2012 - Present ASL NA 1- ASL NA 3 sud - (ASL = territorial health care)

RECOGNITION

Awards, Honors

1998 Giuseppe de Gennaro awards best research on ocular trauma SIETO (Società Italiana di Ergoftalmologia Traumatologia Oculare)

2010 - 2012 Honorary Professor Master Course University of Rome Agostino Gemelli

2013- 2015 - scored as best clinical teacher for medical student - Univesity of Naples Federico II

Invited Talks, Panels

1992 Treatment of capillary hemangiomas of the eyelid

Meeting of the Italian Society of the Ophthalmic Peditary. San Martino al Cimino - Viterbo -February

1993 Lymphomas and pseudolymphomas of the lacrimal gland

Basal cell carcinomas of the lacrimal sac

Annual Meeting of the Italian Society of Oncology. L'Aquila, March

Treatment of the carotid cavernous fistula - the superior ophthalmic vein approach

Annual Meeting of the Italian Society of Ophthalmology. Roma, November

1994 Orbital dermoid cysts: clinical features and treatment

International Course of Orbital Pathology and Surgery;University of Ancona, September

Diagnostic protocols in orbital oncology: up to date

Annual Meeting of the Italian Society of Ophthalmology, Roma, November

1995 Cosmetic Orbital decompression in Graves's ophthalmopathy

XXIX Meeting of the Southern Italy Society of Ophthalmology. Vietri sul Mare (SA).

Management of dacriocystitis in childhood

Meeting of the Tosco-Umbra-Emiliano-Marchegiana Society. Ascoli Piceno, September

Treatment of recurrences of orbital rabhdomyosarcomas

Joint Meeting of the Italian Society of Ophthalmic Oncology with the Italian Society of Pediatric Ematology and Oncology. Bari (October)

1996 Cosmetic treatment of Graves' ophthalmopathy

ESOPRS Meeting. Utrecht. June

Cytological changes of the conjunctival epithelium in patients with Graves's ophthalmopathy

Annual Meeting of the Italian Society of Ophthalmology Rome, November.

1997 Surgical Treatment of meningiomas of the sphenoid wing involving the orbit, experience with 35 cases

3th Meeting of the European Skull Base Society. London, April

- Tears changes in patients with Graves ophthalmopathy
 Ophthalmic hemangioma
 Grand Rounds - University Federico II of Naples - School of Medicine - Veterinary
 Science - Pharmacy
 Napoli, May.
 Is the orbital meningiomas in childhood most dangerous than in adulthood?
 Orbital Osteomas
 ESOPRS Meeting, Roma. October
- 1998 Use of radiofrequency in eyelid surgery
 Workshop in eyelid surgery - University of Naples Federico II. Napoli, February
 Decompression of the optic nerve in traumatic visual impairment
 Skull and Base Seminar. Bagni di Vinadio (CN). 25-27 June
 Complications following orbital cavernous haemangioma surgery
 No surgical management of exposed Hydroxyapatite implants
 ESOPRS Meeting, Budapest, October.
 Corneal complications after therapy for orbital rhabdomyosarcomas
 Optic nerve meningiomas in childhood
 Annual Meeting of the Italian Society of Pediatric Ophthalmology; Sorrento (NA),
 May
- 1999 Epithelial tumours of the lacrimal gland
 Seminar and workshop of the University "Federico II of Naples - School of Medicine
 - Veterinary Science -
 Pharmacy - April
 Management of Orbital cavernous hemangioma
 Annual meeting of the Italian Oncologic Society. Siracusa, September
- 2000 Incidence of the expanding orbital lesions in childhood
 Vascularorbital lesions in childhood
 Annual Meeting of the Italian Society of Pediatric Ophthalmology, Ruta di Camogli -
 Portofino Vetta (GE),
 June
 Primary orbital lymphoma
 ESOPRS, Meeting; Paris. September
- 2001 Rare lacrimal gland tumors
 Ewing sarcomas: analysis of three cases
 Italian Society of Oncology; Firenze, April
 Sphenoidal wing meningiomas
 Grand Rounds - University "Federico II of Naples - School of Medicine - Veterinary
 Science - Pharmacy June
 Sphenoid wing meningiomas: recurrence rate.
 ESOPRS Meeting. Santiago de Compostela. Spain. June
- 2002 Sphenoidal wing meningiomas: analysis of 35 cases.
 Vancouver Orbital Symposium. Vancouver - Canada. March
 Meningioma of the optic nerve: MRI imaging
 Orbital cavernous hemangiomas
 Annual meeting of the Italian Society of Ophthalmology. April
 Orbital trauma
 Course: Ophthalmic Injuries. General Hospital of Nuoro. June
 Clinical outcomes of orbital radiotherapy, high-dose corticosteroids and combined
 therapy for Graves ophthalmopathy: results of a retrospective study
 ESOPRS Meeting Muenster - Germany. September
 Surgical procedures in lacrimal pathway obstruction
 S.I.C.A.D.S. Tour Campania. Multidisciplinary day - surgery Paestum. November
 The value of radiotherapy and corticosteroid pulse therapy in Graves'
 ophthalmopathy
 Simposium: "Management of Basedow orbitopathy", Padova . May
- 2003 Surgical treatment of Graves' ophthalmopathy.
 XIV International Orbitopathy Meeting. Pisa. February
 Lacrimal gland tumors

International Course: Physiopathology of the lacrymal system: New insight- Ischia
 May

The therapeutic challenge in patients with optic nerve gliomas.
 ESOPRS Meeting, Gothenburg, September

The diagnosis of the epiphora
 S.I.C.A.D.S. Tour Campania, Multidisciplinary day -surgery. Paestum. November

2004 Eyelid ectropion and entropion.
 School of Medicine, Agostino Gemelli, University, Cattolica del Sacro Cuore. Master
 of ophthalmic
 Plastic surgery. January
 Practical - Cadaver orbital dissection
 University of Nizza - Master: orbit-lacrymal-eyelids. Nizza. France, March
 Lid surgery in Graves ophthalmopathy.
 International workshop on Graves ophthalmopathy, Lipari. October
 Complications due to the therapy of orbital RMS
 SICSSO (Italian society of stem cells and corneal surface). Maiori (Sa) June
 Recurrence of intradiploic orbital cysts after more than 10 years from the first
 complete surgical excision: description of two cases.
 ESOPRS Meeting 22rd Meeting - Leuven, Belgium
 Postoperative blindness after orbital surgery
 Grand Rounds- University "Federico II of Naples - School of Medicine, Veterinary
 Science, Pharmacy. June

2005 Management of orbital trauma
 Magistralis Lecture - Master of Emergencies for general physician - University of
 Salerno - March
 Meningiomas of the optic nerve
 Orbital Hystiocytosis
 Annual meeting of the Sicilian Society of Ophthalmology. Catania. Italy. July
 Evaluation of clinical activity score and severity of Graves's ophthalmopathy
 Academic Course - International meeting of Italian Society of Ophthalmology. Rome.
 Italy. May
 Cavernous hemangioma of the orbit..
 Echographic evaluation of optic nerve
 Seminar : new insight in biology and technology -Facoltà di Medicina e Chirurgia,
 Farmacia, Medicina Veterinaria, Agraria, Scienze Matematiche Fisiche e Naturali -
 Ingegneria. -Università degli Studi di Napoli Federico II. Napoli May.
 Primary liposarcoma of the orbit: a clinicopathologic study of three cases.
 Idiopathic orbital inflammation: Distribution, clinical features, and treatment
 outcome.
 Expression of apoptosis-related markers in malignant epithelial tumors of the
 lacrimal gland and their relation to clinical outcome.
 ESOPRS Meeting. Crete Greek, September
 Craniofacial Abnormalities: Craniostenosis
 Academic Course - Italian Society of Ophthalmology, Milan, Italy. November

2006 - Orbital exenteration
 - Tumors of the lacrymal gland
 WOC Meeting. San Paulo. Brazil. February
 - Lecturer Lower lid Blepharoplasty
 Course: Oculoplastic surgery: up to date. Zurich. Switzerland. March
 - Lecturer Optic nerve Glioma
 WAMA Meeting, Paramaribo, Suriname. November
 - Unilateral exophthalmos associated to ipsilateral mucosal turbinate hypertrophy:
 Benign exophthalmos syndrome. A description of a new clinical condition.
 ESOPRS, Full Member Winter Meeting. Cortina, January
 - Orbital lymphoma Clinical and prognostic implications of hepatitis C virus
 infection.
 ESOPRS Meeting, London, September.
 - Evaluation of clinical activity score and severity of Graves's ophthalmopathy

Academic Course, Italian Society of Ophthalmology. Milan. Italy November

2007 - Invited speaker -
 Isoo - (International Society of Ocular Oncology) Meeting 2007, Siena 27-30 giugno
 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May

2008 - Malignant epithelia tumor of the lacrimal gland
 Guest lecturer Hong Kong - WOC, China
 - Evaluation of clinical activity score and severity of Graves's ophthalmopathy

Academic Course, Italian Society of Ophthalmology. Milan. Italy November
 - Invited speaker: pathogenesis of the orbital lymphoma

Second International Orbital Society Symposium. The New York Academy of Medicine.
 September 26th-27th, 2008. New York USA

- Invited speaker : Orbital metastasis
 "26th Meeting ESOPRS (European Society of Ophthalmic Plastic and Reconstructive Surgery),
 Lucerne Switzerland 13-14 June 2008

2010 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May

2011 - Lecturer : malignant epithelial tumor of the lacrimal gland
 teaching course annual meeting, ESOPRS, Cernobbio
 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May

2012 - Guest lecturer, Abu Dhabi, Arab Emirates, WOC
 XII SICOP Meeting Chairman
 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May
 - Chairman

Annual Meeting of the SICP - Torino- Italy

2013 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May
 - Invited speaker - Invasione orbitaria di tumori periorbitari

Aimo 3 Meeting - November Rome - Italy
 - Invited speaker: interactive course for orbital tumors management

2013 European Society of Ophthalmology (SOE) - Copenhagen - Denmark

2014 - Key note lecture: up to date of the malignant epithelial tumor of the lacrimal gland
 Joint meeting ISDE & SICOP, Naples, Italy
 - Lecturer : Orbital tumors

Academic Course, Italian Society of Ophthalmology - November - Rome
 - Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May

.- Invited speaker: surgical techniques for brow lift

V Meeting AIMO - November - Rome

- Lecturer: Management of the Graves' disease

Annual course for update governance and guidelines in general management of the health care- Naples - October

2015 - Guest lecturer. Pathogenesis of the Graves Ophthalmology,

25th Anniversary International meeting, Singapore

-Lecturer interactive course on the orbital tumors

SOE - European Ophthalmology Society - Vienna -Austria - May

-Faculty of the first "distance learning" course

How to write a scientific article - the peer review

- Lecturer: Evaluation of clinical activity score and severity of Graves's ophthalmopathy

International Meeting , Italian Society of Ophthalmology. Milan. Italy - May

- Invited speakers meeting Imaging nella patologia orbitaria

XVI SICOP - October - Rome -
